

RETRACTION**RETRACTION NOTICE**

Following concerns expressed by a reader, the Editor-in-Chief and Publisher of Biologia Plantarum have taken the decision to retract the following paper. The article is retracted due to concern over image manipulation.

Cucumber PDR8/ABCG36 and PDR12/ABCG40 plasma membrane proteins and their up-regulation under abiotic stresses

M. MIGOCKA, A. PAPIERNIAK, and A. RAJSZ
