

RNDr. Bohdan Slavík, DrSc., * October 30, 1924

*It is hard to believe that RNDr. Bohdan Slavík, DrSc., the founder and many years' executive editor of the *Biologia Plantarum* has celebrated the 60th anniversary of his birthday.*

*In his scientific work and as the Chief of the Department of Physiology of Photosynthesis and Water Relations, Institute of Experimental Botany, Czechosl. Acad. Sci., member of the Editorial Board of the *Biologia Plantarum* and editor-in-chief of the journal *Photosynthetica*, and the Chairman of the Physiological Section of the Botanical Society, he has always inspired his colleagues with his infectious enthusiasm and dedication.*

The Editorial Board of this journal and all his co-workers offer him their best wishes of personal well being and much success in his work.
